

HISTORY

In early 2005 this Friends organization was established by a group of about twenty interested members.

When the property adjacent to the library became available, the Library Board was able to purchase it along with the building thereon, which has since become known as the annex and is now the Library Community Center. The Board and FRIENDS provide many more programs for the community therein, including a permanent Used Book Sales Room.

PURPOSE

The purpose of the Friends organization, not-for-profit and tax-exempt, is to support and promote the activities and services of the Pine Bush Area Public Library. This is accomplished through fundraising, advocacy, and volunteerism. Friends are individuals who are interested in supporting the library by increasing its services and resources for the community.

FRIENDS NEED AND WANT YOU....

Since our Library Community Center is an integral part of the library service, we always anticipate new needs, and hope that you will consider joining us. The only cost of membership is your presence. If that is impossible at this time, your monetary contribution will make a positive influence and it is tax deductible.

Please join us at our next meeting at 2PM on the second Thursday of the month, and/or call (845) 744-3375 for additional information.
